

OK – So Brazil Didn't Win The World Cup!

But David is still smiling! **Davi (David) Bispo do Carma** from Rio de Janeiro comes to WIC on Sundays and has a great smile and a great love for Jesus. He is here in Bournemouth to improve his English so that he can be an even better English teacher in Brazil. He says he is now thinking in English - that's good!

In 1985 David went to meetings led by American missionaries – he gave his life to Jesus Christ and was baptized. When in Brazil, he goes into churches, schools and other places with these Christians to tell people about what God has done for them and how much God loves them. David wants **them** to have a life changing experience too!

Music Group

Our music group which leads the singing at WIC is changing all the time. **Hyunju** has just left to return to Korea for the summer before going to Warwick Uni, and **Sara**, our flute player from Germany, is going home to Berlin soon. Even **Yoon Seon** will leave us for Korea and Uni. Thank you, guys, for all you have contributed in so many ways. God bless you in your future. We shall miss these three students very much. If you are a newcomer - **can you sing? Can you play an instrument?** Join us after the summer break!

New Word Alive – North Wales

It took 7-8 hours to get there, but it was worth the drive!! Thousands of people, including hundreds of international students, met in April for a great Christian Conference.

What happens? Bible teaching and discussion on really relevant topics, music, swimming, walking – having fun!!

These 3 students from Westbourne International Community joined nine others from Bournemouth to go to this 6 day international student track, organised by **F r i e n d s International**.

Ruby, Hyunju and Yoon Seon went to NWA

Travelling by minibus and living in caravans (thank you, Sue Burt and Steven & Karen Stanton, for all your work and driving), they had a great time, meeting hundreds of international students from different parts of the UK. Watch the interview with them on www.thewic.org.uk. **If you're going to be here in April 2011, book your place now!!!**

Our Website – www.thewic.org.uk

Check out our website – lots of photos, videos, information, and Sunday afternoon talks, testimonies and songs to listen to.

Chu Wei, from Taiwan, (with us a few years ago) visited us on holiday recently and said that she listens to the talks in her country every week. Give us your ideas for what you would like to see on the website!!!!!!!!!!!!
